

ZARZĄD KOŚCIOŁA

Warsaw, dn. 16<sup>th</sup> of March 2026 r.

**Christian Festival of Artistic Expressions  
Hosanna 2026 / #YOURPLACE / #TWOJEMIEJSCE**

**Dear Friends,**

We would like to warmly invite English-speaking music groups living in Poland to take part in **Hosanna 2026**, which will be held on **April 4, 2026**, at the **Częstochowa Philharmonic Hall**. This is a special event that brings together **faith, music, testimony, and community**, creating a space for meeting God and one another.

This year's festival theme - **#YOURPLACE** - reminds us that in God's plan no one is accidental, forgotten, or overlooked. Everyone has a place in the community, in service, and in mission. It is an invitation not to stand on the sidelines, but to become fully involved in what God is doing among His people.

Today, you already live in Poland. This is where you build your daily life, your relationships, and your ministry. You are part of the local Church here — its life, its prayers, its worship, and its shared culture of faith. Your presence enriches us all. That is why Hosanna is not an event happening somewhere beside you — it is also **your place**. It would be a great loss if you were not part of this shared celebration of faith, music, and unity.

In the afternoon part of the programme, there will be time to **share your own artistic work**, which makes this a beautiful opportunity to present your music, your testimony, and what God has placed in your hearts.

We warmly encourage you **not to postpone your decision and to register as soon as possible**. We would be truly happy to experience Hosanna 2026 together with you.

**With warm regards,**

**Daniel Kluska**
